BEULA PARK ACADEMY

STATEMENT OF FAITH

We believe that the whole Bible (both Old and New Testament, is the inspired and attenuative Word of God, and as such it is the rule for faith and life. To the Christian Believers the Holy Scriptures are the guideline for belief and living.

We believe there is only one God, Creator of Heaven, and earth and all of creation, The Eternal God, eternally existent as God the Father, God the Son and God the Holy Spirit.

We confess that Jesus, the Son of God, is truly God. He was conceived by the Holy spirit and born of the virgin. He suffered under Pontius Pilate, was crucified, died, and was buried.

We believe in the bodily resurrection of our Lord Jesus Christ. On the third day He rose again, ascended into heaven, and is seated at the right hand of the Father.

We believe that all men are sinful and lost apart from faith in the saving grace of our Lord Jesus Christ.

We believe in the Holy Spirit, the baptism in the Holy Spirit and all the gifts of the Holy Spirit that is given for the edifying and perfecting of the saints.

We believe in the Second Coming of Jesus Christ the resurrection of the body, the living and the dead, eternal salvation, the establishing of new heavens and earth.

VISION SHARING

Excitement is in the air, it is 2024! A warm welcome to all the new students that will enroll on the ministerial development platform called BB-CEO, as released by Beula Park Academy.

At the same time, we want to thank all those students that have been with us these past few years in helping us pioneer and build this new platform.

Although we experienced many challenges during this 'building process', we have been favored by God to make tremendous progress in student enrollment, material development and the development of the digital platforms. (The Learning Management System and CRM Management System.)

Through the BB-CEO Program, we will significantly contribute to needs-based training, equipment, and development of individuals according to Church Leadership requirements as well as personal ministry levels to achieve their calling and designation.

There is indeed a mega shift, where the focus is not only on the religious professional, but also on the empowerment of that used to be called the "laity".

This assignment cannot be easily outsourced, but the church, the Body of Christ, the five-fold ministries (the dome ministries), must take up its responsibility in equipping the saints for the work of the ministry. In the words of John 4:23, "yet a time is coming and has now come when true followers and worshipers will worship in Spirit and in Truth." While darkness covers the earth, the Ambassadors of God's Kingdom must arise, show forth and reflect the radiance of an unshakable Kingdom. It is time for the coronation of the Royal Priesthood.

I also want to express my deepest gratitude towards the digital platform developers (Moodle/CRM), the registrar and administrators, program developers that have been freely giving their time and expertise to assist us in making this dream come true. Without you, we could not make it. I thank those that are still with us and helping us move forward.

We also want to welcome in our midst, Dr. Cliff Ferguson who has been actively part of this household for many years, but has now granted his service to act as program coordinator and developer to ensure a sound and quality product. He will be assisted by current developers and others still to join us.

May God Bless You

Dr Nico Landman

Progressive Adjustments

As we are still in the progressive building process, it is inevitable that certain changes have to be made for better outcomes.

At **Year 1** (The foundational level), not only the content but also the objective of the 25 Modules will be increased to ensure that continuous development will be founded on a solid foundation in the words of Ephesians 2:20 – the foundation of the Apostles and the Prophets with Jesus Christ as the Corner Stone.

On **Year 2** the biggest change is that we will only focus on 10 Modules, elevated from the 25 Foundational Level 1 Modules to a higher level that will align with the NQF level 4/5 matrixes.

While the focus at **Year 3** will primarily be on the development of practical skills z modules over 6 – 12 months, it will eventually end up in the workplace or marketplace where continuous professional or ministerial development will take place.

That is what the BB-CEO platform is all about. You are all familiar with the acronym CEO: Chief Executive Officer. We consider everyone who is born into the Kingdom of God, as a kingdom ambassador, a soldier of the cross - as one who is called with an assignment.

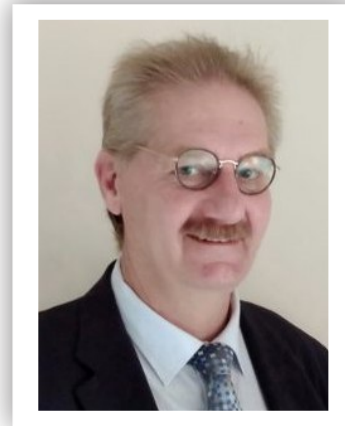

*Pass through, pass through the gates!
Prepare the way for the people.
Build up, build up the highway!
Remove the stones.
Raise a banner for the nations.
The Lord has made a proclamation
to the ends of the earth: say to daughter Zion,
see, your Savior comes!
See, His reward is with Him.*

GENERAL INFORMATION

A MODULAR PROGRAMME BASED ON 12 MODULES

We offer two concentrations in the BB-CEO Programme:

Firstly: The acronym “**CEO**” presents the three main lanes of the program - CALLING, EQUIPPING and ORGANIZATION.

Secondly: The acronym “**BB**” is about BIBLE and BELIEF Systems. Any corporate body or organization has a constitution, a belief system, policies and procedures.

As a trans-cultural, trans-denominational programme, the content is quite common to the Christian doctrine and belief systems in general with specific emphasis on the Pentecostal/Charismatic tradition and perspective.

DIGITAL PLATFORM

The programme is registered on a digital platform (A Web-based Learning Management System (LMS)). Once a student is registered a password is released for access to the LMS learning platform. All the necessary resources, material, study guides etc. that apply to the different programmes are available there,

A STRUCTURED PROGRAMME, ACCREDITATION & ORDINATION

BB-CEO Programmes are not available as NQF qualifications. According to the prospectus and other media platforms of vision sharing, the emphasis is on designation instead of qualification. It is a structured modular platform with indefinite development possibilities that aligns, but is not restricted to the “matrixes” or “outcomes” of any NQF Level of qualification.

Beula Park Academy is not a denomination and does not ordain candidates to the Christian Ministry. The prerequisites for ordination vary among denominations. Ordination opportunities are available at Kingdom Visionary Network Ministries. Please consult www.beulapark.co.za
